

Caring for Our Community & World Together

Straight Ahead Ministries (Minister Jason Ludwig)

We want to partner with them by planting seeds of faith in the lives of young men re-entering into life outside of prison. We would love to see these men blessed with something special this Christmas as they start out on this new path of hope.

Straight Ahead Ministries walks with juvenile offenders through every step of their journey: from lock-up through re-entry into their communities. They offer opportunities for them to hear and respond to the hope of the Gospel and discover new ways of thinking and living, as well as structure and support to help them through the critical transition into their communities as they develop their skills and character.
